September 2024

Dear families,

We will be joining thousands of schools across the UK and taking part in Hello Yellow in support of Young Minds on Thursday 10 October (World Mental Health Day) where we'll be holding a non-school uniform day and asking everyone to wear something yellow. We'd like to ask parents and carers to consider donating to help Young Minds and our suggested donation is £1 which can then be donated to the charity.

Class 2 will also be baking some cookies and selling them after school to raise more money for the charity. These tasty treats will be on sale outside class 2 at the end of the day.

We support this charity in school because there are days when all of us struggle with how we are feeling. Things can get tough, and it can be difficult knowing how to cope. For so many children/ young people, when this happens, they don't always get the help they need, when they need it. They don't know where to turn, who to talk to, or even if anyone else feels the same. As a school we teach our children to empathise and be kind to others and this is why we support this charity.

Finally, Young Minds have resources for families to find help and advice, if you're ever concerned about a child or young person – you can find this on their website: www.youngminds.org.uk/parent
Telephone number: 020 7089 5050

If you have any questions about this please don't hesitate to contact myself or school.

Thank you in advance for your support

Miss Curle
