

**Class 3 Expectations:** In Class 3, we have collaborated as a team to create our class charter, which comprises of a set of expectations that all children in Class 3 must follow. All the children, as well as Miss Bennett, Mrs Wheatley and Miss Shipley, have signed this to clearly show that we agree to follow these expectations. Our class charter is as follows:

- *We will sit sensibly on our chairs during lesson time and listen carefully to who is teaching.*
- *We will move around the classroom and school sensibly – walking, not running!*
- *We will treat our school equipment and other people’s property with respect.*
- *We will use kind words and actions towards each other.*
- *We will take turns when speaking in class and show respect by looking at the person who is speaking.*
- *We will be polite and use our manners inside and outside of the classroom.*

In Class 3, staff regularly praise children for demonstrating our school values (respect, kindness, aspiration, teamwork and resilience). The children are also encouraged to demonstrate the school rules of being ready, being respectful and being safe. This applies to not only the classroom but also when playing outside or on school visits.

**PE Kits:** It is expected that the children bring their PE kit to school at the start of the week. They can then take this home on Monday (after our PE lessons) or at the end of the week to be washed.

**Water Bottles:** The children need to bring their own water bottle into school every day. This is important to ensure they can participate in the learning effectively by being hydrated throughout the day.

**Home Learning:** Although we don’t have additional homework sent home, the home learning in the Learning Log is vital. Logs are checked weekly to ensure children are reading at home and this is where you can request further books/ support. Please make sure children also access Times Table RockStars 3 times a week and Spelling Shed; this will really help their learning.
