

NEWSPAPER CLUB LAUNCHES JANUARY 2024!

Dear Parents/Carers,

We are launching a new venture in January; Newspaper club. Every Thursday budding reporters and designers can come together in the dining hall from 3:15- 4:15 where we will work together to plan, create and publish a school newspaper (name as yet to be decided by the children... all ideas are welcome!). If there are any parents who would like to offer any expertise, please let us know and you are always welcome. We'd like to be able to sell our newspapers to families on the playground too so please look out for our first issue!

Come along on Thursdays!

If your child would like to come along to Newspaper Club please fill in and return the below slip to the school office.

Thank you for your continued support!
