4<sup>th</sup> of September 2024

Dear Families,

Last school year we began to talk to our pupils about the world of work; we introduced through visitors and videos different jobs and careers ranging from fire officer to vet to welder. These were through our much loved Workforce Wednesdays. Through these assemblies, children have explored what skills and attributes were needed and they have hopefully been inspired to talk to you at home too.

In order to further develop our children’s personal development in school, we have decided to hold a **‘Dream Big Day’** at school on **Friday 13<sup>th</sup> September**. On this day, children can come to school **dressed as what they want to be when they grow up**. Class teachers will be talking to the children about their career aspirations in class and learning on this day will also be centered around our their dream job. This is a great opportunity to open discussions with your child about their dream jobs and aspirations at home too.

Please do not feel the need to purchase expensive costumes online – homemade are often the best! Teachers will also be coming to school on the day dressed as what they wanted to be when they were a child which should be really funny!

If you have any questions, please do not hesitate to get in contact via the school email or feel free to catch me on the yard.

Thankyou for your continued support,

Miss M Bennett

*Year 5 Teacher, Dream Big Coordinator & Children’s University Lead*
