

PE Sports Premium Grant Fund Report 2021/22

PE Vision Statement

At Anston Hillcrest Primary School we aim to provide a high-quality physical education curriculum that inspires all of our pupils to succeed and excel in competitive sport and other physically demanding activities. We want to provide opportunities for our pupils to become physically literate and confident in a way which supports their health and fitness as they move towards making their own choices as young adults. In addition, we aim to provide opportunities for children to compete in sport and other activities in order to build character and help to embed values such as team work, fairness and respect.

What is the Sports Premium?

The government remains committed to providing School Sport Grant Funding on an annual basis. The funding is being jointly provided by the will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. Each school with 17 or more eligible children will receive **£16,000** plus an additional **£10** per pupil.

At Anston Hillcrest that means we will be receiving **£18,150.00** * subject to the January 2022 pupil census*. The money can **only** be spent on sport and PE provision in schools.

There are 5 key indicators that schools should expect to see improvements.

1. The engagement of all pupils in regular physical activity- the Chief Medical Officer guidelines recommend that all children and young children and young people aged 5-18 engage in at least 60 minutes of physical activity a day, of which 30minutes should be in school.
2. The profile of PE and sports is raised across the school as a tool for whole-school improvement.
3. Increase confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Monitoring and Evaluation

- A meeting with the Headteacher, PE coordinator and Governing body will take place to discuss the School Sport Premium.
- This report will be updated regularly and comprehensively at the end of each academic year to identify the success of the sport premium initiatives and the impact that they have had.
- Delivery will be monitored by the PE coordinator in the first instance. This will be overseen and managed at senior level by the Headteacher and Deputy Head. The governing body will receive regular reports from the PE leader to ensure that they can closely monitor the impact of the spending.
- Monitoring will include observations of teaching and drop-ins to clubs run by school staff to ensure that provision is of high quality.
